APPLICATION FOR THE DESIGNATION OF A NEIGHBOURHOOD AREA

As a public body constituted by Law, a relevant body for the purposes of Section 61G of the Town and Country Planning Act 1990, Maresfield Parish Council hereby applies for the designation of the whole of Maresfield Parish as a Neighbourhood Area for the creation of its Neighbourhood Development Plan (NDP), as delineated in the attached map. This application is made under the Localism Act 2011 as governed by Part 2/Section 5 of the 2012 Regulations.

Maresfield Parish Council has passed a resolution for the creation of a Neighbourhood Development Plan and a Community Led Plan and has resolved that the Neighbourhood Area to be designated should be the whole of the Parish. This is considered the most appropriate approach so that the Parish Council and the NDP Steering Group can focus its efforts for the benefit of all Parishioners.

In due course a meeting between our Steering Group members and the WDC team would seem most appropriate and we look forward to this becoming a fruitful relationship as our NDP process develops.

Yours sincerely,

Cllr Roger Street
Chairman, NDP Steering Group
Maresfield Parish
