Dear [Name],

Wealden Local Plan - Accelerating Housing Delivery on Allocated Sites

On the 18 January 2019, Wealden District Council (WDC) submitted its Proposed Submission Wealden Local Plan to the Secretary of State for independent examination. As you will no doubt be aware, the Plan sets out its 15 year strategic plan covering the period 2013-2028 and highlights that 14,228 homes will be delivered in order to meet the forecast population and economic growth planned for the area.

Of those 14,228 dwellings, 7,700 are already built or have planning permission which leaves approximately another 6,500 to be built by 2028, the majority of them in South Wealden.

Most, if not all, of this land has been promoted via the WDC Strategic Housing and Economic Land Availability Assessment (SHELAA). This will include your land (or for agents, land you have promoted on behalf of landowners).

Under strict General Data Protection Regulations, the Council can only hold and use your data for the original intended purpose.

Our records indicate that although your Land at Wealden Local Plan Allocation Hailsham North 1E has been allocated in the Wealden Local Plan, there has been no contact with the Development Management section of the Council about the next stages of delivering the allocated development. We only hold your details via the SHEELA database.

In order that we can work with you to facilitate the allocations on your land, please can you contact my Development Manager, [Name] or [Email]@wealden.gov.uk
