

Enjoy Sussex . . . introduction

Make the most of your stay in Wealden with our Tourism Highlights Guide!

This folder gives you a taste of some of the exciting attractions on offer here in the Wealden District. There's so much to choose from, so to help you we've picked out just some of the main things to see and do. With so many different types of attraction, both large and small, Wealden offers something for everyone.

Hopefully, when you have looked through the folder, you will be inspired to explore the area for yourself. You can enjoy some of England's rich heritage by journeying back in time when visiting the Castles and Country Houses. Venture through the beautiful countryside, exploring the Ashdown Forest, once a Royal hunting ground, or admire the Seven Sisters, part of England's 'heritage coast'. Sussex has beautiful locations to tempt walkers, cyclists, horse riders, fishermen and golfers.

If you are looking for things to do with the family then this part of Sussex is the ideal choice. Start the day on the famous Bluebell Railway, visit a unique science centre at Herstmonceux or meet the meerkats at Drusillas Zoo.

If you prefer to be a spectator then there are many events, including touring theatre companies, the world famous Glyndebourne, food festivals, sculpture exhibitions, and many more. There is an array of events providing entertainment throughout the year for all age groups.

If you would like any more information during your stay, contact Economic Development & Tourism Team on (01892) 602884/6/7, or go to: wealden.gov.uk or enjoysussex.info
